1. Introduction

PARAM-X Hackathon is the flagship central-level event of Aavishkar 2K26, designed to promote innovation, creativity, and real-world problem-solving through an intensive development challenge.

2. Event Overview

- Event Name: PARAM-X Hackathon
- Category: Central Level — Flagship Event
- Duration: 10 Hours
- Format: Continuous sprint-style development challenge
- Focus: Innovation, Problem Solving, Development
- Status: Finalised

3. Eligibility Criteria

- Open to all students across departments.
- Participants can register individually or as a team.
- Basic knowledge of programming and development is recommended.

4. Registration Process

- Participants must register through the official platform/form.
- Entry is confirmed only after successful payment.
- Team/member details must be submitted during registration.

5. Entry Fees

- ₹500 per team/participant (as applicable)

6. Team Composition Rules

- Teams may consist of 2–4 members.
- No changes in team members after registration.
- A participant cannot be part of multiple teams.

7. Event Format & Structure

- The hackathon will run continuously for 10 hours.
- Participants will work on assigned problem statements.
- Mentors/judges may conduct periodic reviews.
- Final evaluation will be based on project submission and presentation.

8. Problem Statements & Themes

- Themes may include:
- Real-world challenges
- Innovation-driven ideas
- Domain-specific problems
- Teams must select and work within the given themes.

9. Development Guidelines

- Projects must be developed during the hackathon duration only.
- Use of open-source libraries/tools is allowed.
- Pre-built or previously developed projects are strictly prohibited.
- Internet usage is allowed only for development purposes.

10. Submission Guidelines

- Teams must submit their final project before the deadline.
- Submission should include:
- Source code
- Project description/report
- Presentation or demo
- Late submissions will not be accepted.

11. Evaluation Criteria

Projects will be evaluated based on:

- Innovation and creativity
- Problem-solving approach
- Technical implementation
- Usability and real-world impact
- Presentation and demonstration

12. Code of Conduct

- Maintain professionalism and ethical behavior.
- Team collaboration is allowed; plagiarism is strictly prohibited.
- Respect judges, mentors, and fellow participants.

13. Disqualification Rules

Participants/teams may be disqualified for:

- Plagiarism or use of pre-built solutions
- Violation of rules or misconduct
- Late submission
- Unfair practices

14. Reporting & Result Declaration

- Participants must report before the event start time.
- Judges' decisions will be final.
- Results will be declared after evaluation and presentations.

15. Prizes & Rewards

- **1st Prize: ₹51,000**
- **2nd Prize: ₹25,000**
- **3rd Prize: ₹15,000**

17. General Guidelines

- Participants must bring their own laptops and accessories.
- Ensure devices are fully charged; power availability may be limited.
- Follow event timelines strictly.
- Organizers reserve the right to modify rules if necessary.
