1. Introduction:
Circle Cricket is a fast-paced, entertaining variation of traditional cricket where players stand in a circular formation, creating a dynamic and unpredictable game.

2. Objective:
The batting team aims to score maximum runs by hitting the ball into designated score circles, while the fielding team tries to restrict runs and get the batter out quickly.

3. Team Formation:
Each team consists of 04 players. One team bats while the other fields in a circle, and roles are rotated after the innings.

4. Ground Setup:
The fielding team stands in a circle with one batter positioned at the center. A bowler is then selected from the fielding team.

5. Match Format:
Each team is allotted one innings consisting of 04 overs.

6. Gameplay Rules:

- **Batting:** The batter hits the ball in any direction within the circle. Runs are determined by where the ball's second bump occurs. A batter is out if they miss the ball, if the ball is caught after one bump without entering a score circle, or if the ball's first bump is beyond the third circle.

- **Bowling:** Only underarm bowling is permitted. Fast or dangerous bowling is prohibited and results in 2 bonus runs for the batter. Each bowler is limited to one over.

- **Fielding:** One fielder is placed after each of the three circles. Fielders may not enter restricted circles; doing so awards the batter 1 bonus run.

7. Scoring System: Runs are awarded based on the location of the ball's second bump:

- Inside the first circle: 4 runs.
- After the first circle but before the second: 2 runs.
- After the second circle but before the third: 1 run.
- After the third circle: 6 runs.

8. Winning Criteria: The team that has accumulated the highest number of runs at the end of the match is declared the winner.

9. General Rules:
Participants must maintain fair play and sportsmanship. Arguments with organizers or the umpire are not allowed, as the umpire's decision is final.

10. Disqualification:
Teams or players can be disqualified for misconduct, abusive behavior, cheating, rule violations, or dangerous play.

11. Organizer's Rights:
Organizers hold the final authority in disputes and reserve the right to modify rules based on ground conditions.

12. Registration:
Pre-registration is mandatory with a fee of 200/- per team. Teams are accepted on a first-come, first-served basis and must use a unique ID inspired by the "Forts of Maharashtra".

13. Prizes:

- **First Prize: 3000/-**
- **Second Prize: 2000/-**
- **Third Prize: 1000/-**
