1. Introduction

Code Ladder is an innovative physical event designed to simulate programming concepts through an interactive, game-based environment. It combines logical reasoning, teamwork, and problem-solving skills in a fun and competitive format.

2. Event Overview

- Event Name: Code Ladder
- Category: Physical / Play Event
- Mode: Team
- Team Size: 4 Players per Team
- Format: Physical board-game style coding challenge
- Nature: Hands-on, activity-based programming

3. Eligibility Criteria

- Open to all registered participants.
- Participants must register as a team of 4 members.
- Basic understanding of programming logic is recommended.

4. Registration Process

- Participants must register through the official platform/form.
- Entry is confirmed only after successful payment.
- Team/member details must be submitted during registration.

5. Entry Fees

- ₹500 per team/participant (as applicable)

6. Team Composition Rules

- Teams may consist of 2–4 members (recommended).
- Solo participation may be allowed if specified.
- No changes in team members after registration.
- A participant cannot be part of multiple teams.

7. Event Format & Structure

- The hackathon will run continuously for 10 hours.
- Participants will work on given problem statements/themes.
- Periodic mentor/judge reviews may be conducted.
- Final evaluation will be based on submitted projects and presentations.

8. Problem Statements & Themes

- Problem statements will be provided at the start of the event.
- Themes may include real-world challenges, innovation, or domain-specific problems.
- Teams must choose and work within the given themes.

9. Development Guidelines

- Participants must develop their solutions during the hackathon duration.
- Use of open-source libraries/tools is allowed.
- Pre-built projects are not permitted.
- Internet access may be allowed only for development purposes.

10. Submission Guidelines

- Teams must submit their final project before the deadline.
- Submission may include:
  - Source code
  - Project report/description
  - Presentation or demo
- Late submissions will not be accepted.

11. Evaluation Criteria

Projects will be judged based on:

- Innovation & creativity
- Problem-solving approach
- Technical implementation
- Usability and impact
- Presentation and demonstration

12. Code of Conduct

- Maintain professionalism and ethical behavior.
- Collaboration within the team is allowed; plagiarism is not.
- Respect mentors, judges, and fellow participants.

13. Disqualification Rules

Participants/teams may be disqualified for:

- Plagiarism or use of pre-built solutions
- Violation of rules or misconduct
- Submission after deadline
- Unfair practices

14. Reporting & Result Declaration

- Participants must report before the event start time.
- Judging panel decisions will be final.
- Results will be घोषित after evaluation and presentations.

15. Prizes & Rewards

- **1st Prize: ₹51,000**
- **2nd Prize: ₹25,000**
- **3rd Prize: ₹15,000**

16. Coordinator Details

- Student Coordinators:
- Sujal Jaju – 8010127828
- Arya Dandnaik – 7058308428
- Faculty Coordinator:
- Wrushabh Sirsat – 9325792405

17. General Guidelines

- Participants must bring their own laptops and required accessories.
- Ensure devices are fully charged; power arrangements may be limited.
- Follow event timelines strictly.
- Organizers reserve the right to modify rules if necessary.
