1. Introduction

Code Ladder is an innovative physical event designed to simulate programming concepts through an interactive, game-based environment. It combines logical reasoning, teamwork, and problem-solving skills in a fun and competitive format.

2. Event Overview

- Event Name: Code Ladder
- Category: Physical / Play Event
- Mode: Team
- Team Size: 4 Players per Team
- Format: Physical board-game style coding challenge
- Nature: Hands-on, activity-based programming

3. Eligibility Criteria

- Open to all registered participants.
- Participants must register as a team of 4 members.
- Basic understanding of programming logic is recommended.

4. Registration Process

- Teams must register through the official platform/form.
- Entry is confirmed only after payment of fees.
- Team details must be submitted during registration.

5. Entry Fees

- **₹250 per team**

6. Team Composition Rules

- Each team must have exactly 4 members.
- No changes in team members after registration.
- A participant cannot be part of multiple teams.

7. Event Format & Structure

- The event will follow a ladder-based progression system.
- Teams will move across levels by solving coding challenges.
- Each level increases in difficulty.
- Top-performing teams advance to final stages.

8. Gameplay Rules

- Teams roll dice or follow predefined movement rules (as per setup).
- Landing on specific blocks triggers coding/problem-solving tasks.
- Teams must solve the given problem within the allotted time.
- Correct answers allow progression; incorrect answers may result in penalties or no movement.

9. Materials & Setup

- Physical game board will be provided by organizers.
- Coding/problem statements will be given at each stage.
- Required stationery or materials (if any) will be provided.

10. Code of Conduct

- Teams must maintain discipline and fair play.
- Collaboration within the team is allowed; external help is not permitted.
- Respect for organizers, judges, and other participants is mandatory.

11. Disqualification Rules

Teams may be disqualified for:

- Cheating or unfair practices
- External assistance during gameplay
- Misconduct or rule violations
- Failure to follow instructions

12. Judging Criteria

Teams will be evaluated based on:

- Accuracy of solutions
- Time taken to solve challenges
- Logical approach and problem-solving ability
- Team coordination and participation

13. Reporting & Result Declaration

- Teams must report before the event start time.
- Judges' decisions will be final.
- Results will be declared after completion of all rounds.

14. Prizes & Rewards

- **1st Prize: ₹10,000**
- **2nd Prize: ₹5,000**
- **3rd Prize: ₹3,000**

15. Coordinator Details

- Student Coordinator:
- Shreya Kad – 7517021872
- Faculty Coordinator:
- Wrushabh Sirsat – 9325792405

WHERE CURIOSITY BECOMES CREATION

16. General Guidelines

- Teams must arrive on time at the venue.
- Follow all instructions provided during the event.
- Organizers reserve the right to modify rules if necessary.
- Maintain cleanliness and discipline at the event location.
